**Course Monitors Volunteers can earn up to \$10 per intersection!**

Organizing a marathon that is safe and fun takes a lot of assistance from not only the Olathe Police Department but also volunteers. Volunteers are needed to help clean up the finish line after the race, and also keep the roads clear of vehicles during the race while cheering on participants as they achieve their goals.

-Course monitors are stationed at various intersections along the course to cheer on participants and assist with vehicle control. Many course monitors chose to volunteer at intersections in their neighborhoods.

Anyone 16 and older can be a course monitor at an intersection on their own. Anyone 9-15 years old must be accompanied by an adult over 18 years of age. 8 and under are not allowed to be course monitors.

### HOW TO BECOME A GRANT GROUP

- *Are you an organization looking for fundraising opportunities?*
- *Can you commit at least 10 volunteers to the 2019 Garmin Marathon?*

For groups and organizations, the Garmin Marathon offers a fun volunteering opportunity. Qualifying volunteer groups of ten or more will receive \$10 for every intersection covered\*\* through a grant group program. For example, if your group has 20 intersections covered, a donation of \$200 will be made to your group.

To request that your group become a GRANT GROUP please complete the [FORM AT THIS LINK](#).

\*\*No one group will receive more than \$400.00 in donation monies from the Grant Group Program OR 40 intersections worth.

\*\*\*Volunteer's must each work at least one (2-4) hour shift to qualify
